☎ 405-878-4697
📠 405-878-4665

1545 Gordon Cooper Drive
Shawnee, Oklahoma 74801

This institution is an equal opportunity provider and employer.

Loan Maximum of \$300,000. Use of Funds: Equipment, Building Improvements, Real Estate Acquisition, and on occasion, Debt Refinancing (evaluated on a case-by-case basis). Terms: up to 5 years, although certain loans may be amortized for longer periods.

Citizen Potawatomi Community Development Corporation staff is available to provide technical assistance to those interested in starting a new business or expanding an existing business. Business assistance may include advice on business structure, preparation of loan materials, business plan development, market analysis, marketing and strategic planning, government and private sector contracting fundamentals, understanding business legal issues, general financial management, or referral to cooperating/partnering organizations.

We are not a bank, but we do utilize basic lending guidelines when reviewing a loan application. However, we are more flexible in how we apply those guidelines to our decision making process. When evaluating a loan request, we generally review the following factors (and others, as appropriate):

CREDIT REPORT – While good credit is important, the Citizen Potawatomi Community Development Corporation recognizes that applicants may have had credit issues in the past. We attempt to be more flexible than a traditional lender when reviewing your credit.

COLLATERAL – Collateral is considered a secondary source of repayment in the event cash flow of the business proves inadequate to repay the loan. Collateral demonstrates that applicant believes in the business and is willing to commit something of value to ensure payment.

EQUITY – Applicant should have something at risk in the business. For a startup, it may be cash or equipment or other assets owned by applicant or business before the loan request.

CASHFLOW/PROFITABILITY – Because these components are the primary sources for repayment of a loan, we review financial statements to determine cash-flow and profitability.
